

Christmas Tree Recycling

The city places large dumpsters at the following locations throughout the city from Tuesday December 26, 2006, until the morning of Monday, January 8, 2007 for the collection of Christmas Trees only:

| | |
|---------------------|---|
| Storm Mountain Park | 11400 South 1000 East |
| Flat Iron Mesa Park | 8600 South 1700 East (Lower west parking lot) |
| Highpoint Park | 7800 South 1000 East |
| Crescent Park | 11000 South 230 East |
| Buttercup Park | 10075 South 1550 East (South parking lot) |
| Parks Shop | 9120 South 700 East |

Please ensure all lights, ornaments, tinsel and garland are removed from the trees as well as stands, plastic and spikes. Trees that have been flocked should not be taken to any of these locations since they are not recyclable. Flocked trees can be cut into pieces and placed in blue waste containers. Finally, bulk waste, garbage, yard waste and commercial dumping of trees are not acceptable. If you have any questions, please call Public Works at 568-2999 or Parks and Recreation at 568-2900.

In the spring of 2007, Sandy City Public Works is working towards opening an A.B.O.P (Antifreeze, Batteries, Oil and Paint) center for the convenience of our residents. More information will be provided in future newsletters. If you have any questions about the Household Hazardous Waste Program, please contact the Salt Lake Valley Health Department at 313-6697.

Free Carbon Monoxide and Smoke Detectors

The Healthy Sandy Partnership is teaming up with the Sandy Fire Department and Lowe's Home Improvement to distribute over 1,000 carbon monoxide and smoke detectors to senior citizens and low income households throughout Sandy. Sandy residents are being contacted through the Sandy Senior Center, the Boys and Girls Club and other sources and are being offered free smoke and carbon monoxide detectors while supplies last. The Sandy Fire Department is available to install the detectors in homes for those who are not able to do the installation themselves. This program is made possible by grants from Lowe's, Sandy City, IHC, and Wal-Mart. For more information about this program, contact Dan Veenendaal with the Sandy City Fire Department at 568-2944.
